ABOUT THE COLLEGE

MIT First Grade College previously Gopalaswamy College of Professional Studies was established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. The College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. The college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in University examination. Most of the students have established themselves by becoming entrepreneurs, joined reputed organization and opting for higher education.

VISION OF THE INSTITUTE

Empower the individuals and society at large through educational excellence; sensitize them for a life dedicated to the service of fellow human beings and mother land.

MISSION OF THE INSTITUTE

To impart holistic education that enables the students to become socially responsive and useful,

with roots firm on traditional and cultural values; and to hone their skills to accept challenges and respond to opportunities in a global scenario.
