Report on Certificate Course on “Mobile Application Development and Software Engineering”

- **Event Details**

- **Date of Event** : 18th to 28th May 2022
- **Duration** : Ten Days (30 Hours)
- **No. of Participants** : 88
- **No. of Students Completed** : 45
- **Resource Person** : 1. Dr. Chandrajit M
Assistant Professor
Department of CS, MIT FGC
2. Ms. Sahana
Software Engineer
Ideaonix
Mysuru
3. Mr. Renuka Prasad
Software Engineer
Ideaonix
Mysuru
- **Venue** : Computer Lab, MIT FGC

- **Objective:**

To upskill the students with Mobile Application Development and Software Engineering.

- **Outcomes:**

Students learnt the application development with Android and Software Development Life Cycle.

- **Summary:**

The department of computer science in association with had organized a ten-day certificate course on Mobile Application Development and Software Engineering.

Both theoretical and Practical sessions on mobile application development were conducted. Students were given a hands-on experience on mobile application development. Further, the concepts of software engineering were also taught since it finds importance in application development. Moreover, software engineering was not undergone by the students. Department is thankful to Ideeonix for supporting this event as a part of their CSR activity.

Report on "Students participation in Toycathon"

1. Event Details

a. **Date of Event** : 16th and 17th Apr 2021

b. **Details of Event** :

The event was organized by University Career Hub , University of Mysore

c. **No. of participants** : 18 BCA students

2. **Venue** : University Career Hub , University of Mysore

Objective:

- To create awareness on innovation, toy making and being self-reliant .

3. Summary

18 Students of BCA had participated in the two days workshop on Toy making and innovation organized by University Career Hub, University of Mysore. The students had hands-on exposure on toy making and at the end of the workshop students demonstrated their prototype. This helped them in working in teams, thinking on new ideas and focus on being self-reliant.
