INDEPENDENT AUDITOR'S REPORT

To:
The Principal,
MIT First Grade College,
No.F29/1, Manandavadi Road, Industrial Suburb, 3rd Stage,
Fort Mohalla, Mysuru - 570 008.

1. Opinion

I have audited the financial statements of MIT First Grade College (the Collegeor MIT FGC in short), which comprise the Balance Sheet as at March 31, 2020, and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and other explanatory information annexed thereto.

In my opinion and to the best of my information and according to the explanations given to me, the accompanying financial statements of the entity read with the Schedules and notes thereto are prepared, in all material respects, in accordance with the Income Tax Act, 1961 and give a True and Fair view of the State of Affairs of the entity as at 31st March 2020 and its surplus for the year ended on that date.

2. Basis for Opinion

I conducted my audit in accordance with Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the ethical requirements (Code of ethics issued by the ICAI) that are relevant to my audit of the financial statements, and I have fulfilled my other responsibilities in accordance with these requirements (code of ethics). I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the financial statements.

3. Responsibilities of Management and Those Charged with Governance for the Financial Statements:

- The Governing Body of the College (Management) is responsible for the preparation of the financial statements that give a true and fair view in accordance with the IT Act and generally accepted accounting principles and to provide for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
- In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.
- Those charged with governance are responsible for overseeing the entity's financial reporting process.

4. Auditor's Responsibilities for the Audit of the Financial Statements

- My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
- Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs issued by the ICAI, will always detect a material misstatement when it exists.
- Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Fort Mohalla, Mysuru-570 008

5. As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
6. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I have identified during my audit.
7. I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
