ICT ENABLED TOOLS FOR EFFECTIVE TEACHING- LEARNING PROCESS.

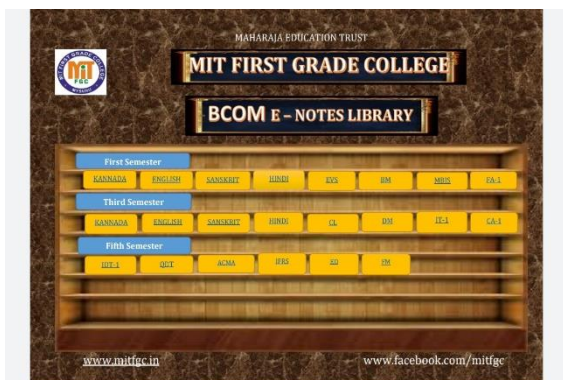

Classrooms with Audio-Visual facility:

The Institution has adopted the policy of ICT enabled teaching along with chalk and talk method to make learning process interesting and effective. Teachers use ICT enabled learning tools such as power point presentations, video clipping to expose the students for advanced learning and also students use ICT facility to present their seminars.

E – LEARNING

E notes library application is very easy to use. Students can access the notes through MITFGC app and it helps slow and advanced learners.

YOUTUBE CHANNEL

The institution has its own YouTube channel titled “ MIT First Grade College” where teachers upload their video lectures. This channel helps slow and advanced learners to download videos and use it as and when required.

FACEBOOK PAGE

Social media (Facebook) now plays an important role in helping us stay connected with alumni and also increasing the value of their education by expanding our college's recognition. We are now able to share alumni's life and career achievements on our MIT FGC Facebook page (mitfgcmysore@gmail.com). We also update all the events, activities and achievements of our students to all our stake holders in our official Facebook page.
