

Academic Advisory Committee

"The quality of a man's life is in direct proportion to his commitment to Excellence."

-Tom Landry

About the College

MIT First Grade College previously Gopalaswamy College of Professional Studies established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. MIT First Grade College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. Our college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in university examination. Most of our students have become entrepreneur, joined reputed organisation, and opted for higher education.

Overview of Academic advisory committee:

The committee operates in the purview of academic excellence. As the college is affiliated to the University of Mysore, it follows the academic guidelines given by the university. The committee is responsible in curriculum planning, implementation, completion and periodic review of academic activities in alignment with the regulation framed by the University of Mysore. The committee serves as a liaison between the university and the stake holders.

Objectives:

- It strives to ensure the adherence to the curriculum such that student learning experience is continuously improved, enhanced and optimised.
- To ensure academic excellence along with holistic development of the students.

Functional procedure of Academic advisory Committee:

- It is supported by various sub committees such as time table committee, examination committee and office administrative committee.

Committee Manuals

- Preparation of academic calendar every year by the heads of department.
- Finalisation of department work load, individual work load and time table.
- Framing policies and processes related to teaching –learning mechanism.
- Implementation of policies and processes that impact faculty teaching and the learning experiences.
- Curriculum design and delivery through teaching pedagogies by the respective faculties.
- Performance appraisal of faculties and infrastructure & institution at regular intervals through feedback.
- Committee conducts Orientation programmes.
- Faculty orientation and development programs
- Committee guides in conduction of IA test, preparatory examinations, remedial classes for the students.
- Committee evaluates the academic performance of the students through subject wise and faculty wise result analysis.

Library & Information Services

"Every time you enter a library you might say to yourself, 'The world is quiet here,' as a sort of pledge proclaiming reading to be the greater good."

—*Lemony Snicket*

About the College

MIT First Grade College previously Gopaldaswamy College of Professional Studies established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. MIT First Grade College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. Our college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in university examination. Most of our students have become entrepreneur, joined reputed organisation, and opted for higher education.

Overview of Library & Information Services

Library helps to satisfy the thirst of information by providing various kinds of books, articles and resources. They open up windows to the world and inspire us to explore and achieve and contribute to improving our quality of life. Thus a Library represents the treasure of knowledge of any college. The books determines the quality of information that is learnt and imparted in the college. As the saying goes 'All leaders are great readers', so the library enhances values, knowledge, creativity, wisdom and sense of expertise of the users.

The college has a full-fledged Library and information services for both UG and PG courses. It has created a conducive environment for academic enrichment as well as social and personal development of students, faculty and staff of the college.

Library is well built and accommodated 3,255 books related to commerce, management, computer science, languages, general knowledge, literature and ICT enabled services. There are sufficient newspapers, journals and periodicals to update with recent information.

Committee Manuals

The best features of library are:

- Organised and Well placed books rack
- Spacious Reading hall
- Abundant books
- Wi-Fi enabled services
- Browsing centre

Objectives:

- To provide best teaching and learning resources to students, faculties and staff.
- To provide right information at the right time in the right form.
- To have easy access, equity and quality in information exchange.

Library Committee and the Librarian

The Librarian is the coordinator of the committee. The library advisory committee is responsible for policy making. All the department heads are the members of the committee. While, the Librarian accepts suggestion from the members and considered to implement this by working out details which should be within the frame work.

Roles & Responsibilities:

- A meeting in the beginning of every academic year is scheduled to discuss formulate & revision of existing policies and procedures for the library operations. E.g.: Lending & Collection Service policy etc. and its effective implementation.
- To validate general rules and regulations that governs the functioning of the library services to its stakeholders.
- To device ways of improvising the library services via modern tools and techniques.
- To assess the requirements in the library from time to time and recommend procurement through budget proposals.
- Communicates to management on development plans of library.

Disciplinary Committee

“Motivation keeps you going, but Discipline keeps you growing.”

-Tom Landry

About the College

MIT First Grade College previously Gopaldaswamy College of Professional Studies established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. MIT First Grade College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. Our college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in university examination. Most of our students have become entrepreneur, joined reputed organisation, and opted for higher education.

Overview of Discipline committee:

Presence of Discipline aids accomplishment of both personal and professional goals and objectives. Hence education should bring in moral, ethical values of well-being to learners and every educator and educating institution should strive hard to bring in the core human values in the process of learning. The College Discipline Committee is constituted for the maintenance of discipline in the college. The committee will ensure that students obey rules and remain orderly and peaceful in the pursuit of educational objectives/goals in the college community.

Objectives

Discipline is what doing what needs to be done, even if we don't want. The objectives of the committee are

- To ensure calm and peaceful learning environment in the campus.
- To avoid physical confrontation among students.
- To inculcate ethical and socially responsible behaviour among the students.

Roles and Responsibilities:

Discipline Committee to ensure compliance with the provisions of UGC/AICTE Regulations on curbing the Menace and Indiscipline behavior in the campus as well as to monitor and oversee the performance of the Disciplinary Squad in the prevention of in-disciplinary activity in the institution. In case of matters concerning in the campus, the Disciplinary Committee is empowered to take decisions.

- Disciplinary Committee shall have the dual function of safeguarding the rights of students and maintaining a climate of integrity and safety for all members of the College community.
- Contributing to policy formation and strategic planning.
- Briefing the on any matters relating to the welfare of the discipline in College.
- Review and finalize all meeting minutes for circulation and documentation purpose
- Ensure recording and documentation of the activities

Types of Disciplinary Actions:

- **Warning:** A verbal or written warning notice is issued to the student when identified with unacceptable student behaviour or misconduct or has violated the Student Code of Conduct or rule book are subject to disciplinary action.
- **Probation:** A period of time given to improvise student behaviour as per certain requirements. Students should acknowledge and understand Student rule book and adopt discipline.
- **Suspension:** Separation of the student from a class, program, activity, event, or any College-owned, College-operated, or College-utilized facility for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
- **Expulsion:** Permanent separation of the student from student status from a class, program, activity, event, or any College-owned, College-operated, or College-utilized facility.

Mentoring Cell

"Mentoring is a brain to pick, an ear to listen and a push in the right Direction."

-John C Crosby

About the College

MIT First Grade College previously Gopalaswamy College of Professional Studies established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. MIT First Grade College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. Our college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in university examination. Most of our students have become entrepreneur, joined reputed organisation, and opted for higher education.

Overview of Mentoring Cell

The college emphasizes towards enhancing the institutional ambience to better serve the needs of an ever-changing and dynamic learning community. Effective mentoring begins with the faculty and depends on the healthy relationship between faculty and students. Some of the components that is encompassed in this cell are as follows; General Discipline, Communicative skills, General Grooming, Behaviour with Peers, Behaviour with Faculty, Co-curricular Activities, Extra Curricular activities, Behaviour in the Hostel, etc.

Counselling is a helping process which aims to facilitate the process of growth and positive well-being. Counselling emphasizes awareness and prevention along with early identification and intervention of mental health issues. It allows students to effectively deal with problems and issues before they become unmanageable. Counselling empowers students with enhanced ability to solve problems, make decisions and deal more effectively with their personal situations. It helps students to alleviate distress, enhance wellness, utilizing their best potentials and facilitate the achievements.

Committee Manuals

Some of the common concerns of the students may be Academic pressures (Lack of academic concentration and motivation, underachievement, backlogs, exam stress, unhealthy competition and personal difficulties in learning), Loneliness and homesickness, adjustment to difficulties of any kind, peer pressure, relationship issues, family Problems, procrastination, cyber bullying, behavioural problems (anger outbursts, disobedience, lying etc), low confidence and self-esteem, suicidal tendencies, depression, anxiety and other mental health problems), etc.

Objectives:

- To monitor the students' academic regularity & discipline.
- To enable the parents to know about the performance & regularity of their wards.
- To improve of teacher-student relationship.
- To counsel students for solving their problems and provide confidence to improve their quality of life.
- To Guide students to choose right career path, higher studies, Entrepreneurship, etc.

Role & Responsibilities:

- The role of this Cell is to offer support to the students to deal with a wide range of concerns; be it academic, personal, emotional, family or peer related through counselling.
- Cell shall facilitate mentor to meet students and their parents as and when needed.
- Parents, students and teachers can also approach cell as and when required.
- The Cell shall device mechanism to oversee all the concerns of the students and faculty as well. The mechanism includes establishment of policies to enhance the quality of student performance and counselling.
- Organises meeting in the beginning of the academic year to evaluate the mentorship policy frame work and implement changes if required.
- The Cell may classify types of Mentoring to be carried out as follows.

Professional Guidance - regarding professional goals, selection of career, higher education.

Committee Manuals

Career advancement - regarding self-employment opportunities, entrepreneurship development, morale, honesty and integrity required for career growth.

Course work specific - regarding attendance and performance in present semester and overall performance in the previous semester.

Role of the Mentor:

- Meet the group of students at least once in a month.
- Continuously monitor, counsel, guide and motivate the students in all academic matters.
- Advise students regarding choice of electives, project, summer training etc.
- Contact parents/guardians if situation demands e.g. academic irregularities, negative behavioural changes and interpersonal relations, detrimental activities etc.
- Advise students in their career development/professional guidance.
- Keep in touch with the students even after graduation.
- Intimate HOD and suggest if any administrative action is called for.
- Maintain a detail progressive record of the student (format attached).
- Maintain a brief but clear record of all discussions with students.

Benefits of effective Mentorship:

- Improvement in attendance.
- Decreased in failures consistently.
- Building good teacher-student bondage through better and direct communication between mentor and the student.
- Encouragement towards extracurricular activities.

Sports Committee

"It's not whether you win or lose, it's how you play the GAME"

About the College

MIT First Grade College previously Gopaldaswamy College of Professional Studies established in the year 2009 by Maharaja Education Trust with the aim to provide quality education, culturally and academically for enthusiastic and upcoming youth. MIT First Grade College is focused to offer high quality career oriented learning environment with its excellent and dedicated management and staff. Our college has earned its strong academic reputation since its inception. Every year, a good number of students secure rank and distinction in university examination. Most of our students have become entrepreneur, joined reputed organisation, and opted for higher education.

Overview of sports committee:

Students require both knowledge and fitness to survive and succeed in life. It enhances the competency level of the students. It is a vital activity that stimulates strength, physical growth, team spirit, decision making, rational thinking and acceptance of both failure and success. It builds confidence, discipline and strategy building skills.

Sports committee encourage students immensely to participate in various sports activities and provide platform for intercollegiate participation as well. Participating in sports activities have proven to provide not only physical but also psychological and social benefits to the students. Annual sports day and various sports events are organised every year. In a nutshell, students must participate in sports activities to derive a vigorous and healthy life.

Objectives:

- To enhance the interest of the participants in the field of sports.
- To inculcate qualities of sportsmanship, team spirit and physical wellbeing.
- To provide equal opportunities without any discrimination and encourage right talent.

Functional procedure of Sports committee:

- Committee organize a general body meeting.
- Preparation of Action plan for the academic year.
- Preparation of budgets required for organising the events.
- Students are allowed to play indoor and outdoor games regularly.
- Regular purchase of sports items are taken care by the committee to avoid shortage.
- Sports day is organised for the students to encourage interest towards sports. Winners are rewarded with mementos, medals and certificates.
- Students are encouraged to participate in other intercollegiate events at university, state and national level competitions.
- Winners are recognised and felicitated along with publishing the information in the college magazine.
- Preparing circulars with regards to any sports activity taking place to reach all the students of each department.
- Committee works towards enhancing the participation of the students in various events.
