

INDEPENDENT AUDITOR'S REPORT

To
The Principal,
MIT First Grade College,
No F29/1, Manandavadi Road, Industrial Suburb, 3rd Stage,
Fort Mohalla Mysuru - 570 008

1. Opinion

I have audited the financial statements of MIT First Grade College (the MIT FGC in short), which comprise the Balance Sheet as at 31st March 2021 and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and other explanatory information annexed thereto.

In my opinion and to the best of my information and according to the explanations given to me, the accompanying financial statements of the entity read with the Schedules and notes thereto are prepared in all material respects in accordance with the Income Tax Act, 1961 and give a True and Fair View of the State of Affairs of the entity as at 31st March 2021 and its surplus for the year ended on that date.

2. Basis for Opinion

I conducted my audit in accordance with Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). My responsibilities under these Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the ethical requirements (Code of ethics) issued by the ICAI that are relevant to my audit of the financial statements, and I have fulfilled my other responsibilities in accordance with these requirements (code of ethics). I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the financial statements.

3. Responsibilities of Management and Those Charged with Governance for the Financial Statements:

- The Governing Body of the College (Management) is responsible for the preparation of the financial statements that give a true and fair view in accordance with the T Act and generally accepted accounting principles and to provide for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
- In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.
- Those charged with governance are responsible for overseeing the entity's financial reporting process.

4. Auditor's Responsibilities for the Audit of the Financial Statements

- My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
- Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs issued by the ICAI, will always detect a material misstatement when it exists.
- Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

5. As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the institution's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
6. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I have identified during my audit.
7. I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

Fort Mohalla, Mysuru – 570 008.

1. Opinion

I have audited the financial statements of MIT First Grade College (the College or MIT FGC in short), which comprise the Balance Sheet as at **March 31, 2020**, and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and other explanatory information annexed thereto.

In my opinion and to the best of my information and according to the explanations given to me, the accompanying financial statements of the entity read with the Schedules and notes thereto are prepared, in all material respects, in accordance with the Income Tax Act, 1961 and give a True and Fair view of the State of Affairs of the entity as at 31st March 2020 and its surplus for the year ended on that date.

2. Basis for Opinion

I conducted my audit in accordance with Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the ethical requirements {Code of ethics issued by the ICAI} that are relevant to my audit of the financial statements, and I have fulfilled my other responsibilities in accordance with these requirements {code of ethics}. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the financial statements.

3. Responsibilities of Management and Those Charged with Governance for the Financial Statements:

- The Governing Body of the College (Management) is responsible for the preparation of the financial statements that give a true and fair view in accordance with the IT Act and generally accepted accounting principles and to provide for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
- In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.
- Those charged with governance are responsible for overseeing the entity's financial reporting process.

4. Auditor's Responsibilities for the Audit of the Financial Statements

- My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
- Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs issued by the ICAI, will always detect a material misstatement when it exists.
- Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

5. As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
6. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I have identified during my audit.
7. I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

AUDIT REPORT**

I have examined the annexed Balance Sheet of

MIT FIRST GRADE COLLEGE

No. 169/1 [New No. F29/1], Manandavadi Road, Industrial Suburb, 3rd Stage,
Fort Mohalla, Mysore - 570 008.

[the College or MIT FGC, in short] as on **31st March 2019** and the Income and Expenditure Account for the year ending as on that date, which are in agreement with the Books of Accounts maintained by the College. These Financial Statements are the responsibility of the Management. My responsibility is to express an opinion on these Financial Statements based on my audit.

I have conducted my audit in accordance with the auditing standards generally accepted in India. Those standards require that I plan and perform the audit to obtain reasonable assurance whether the Financial Statements are free of material misstatements. An audit includes examining on test basis evidence supporting the amount and disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and evaluating the overall Financial Statement presentation. I believe that my audit provides a reasonable basis for my opinion. I report as under :

1. The activities of the College during the year, have resulted in Excess of Income over Expenditure of Rs. 8,15,541/-, as against Excess of Expenditure over Income of Rs. 5,33,473/- during the Previous Year, 2017-18.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit. In my opinion, proper Books of Accounts have been kept by the above said College so far as appears from my examination of the Books.

In my opinion and to the best of my knowledge, and according to the information given to me, the said Accounts read together with the Schedules and Notes thereon, subject to my comments hereinabove, give a true and fair view :
