The Principal,

Dear Sir,

Ojas Public Charitable Trust-Uniform to I Bcom 3 students

Your goodselves are aware that the Management of the college have allowed concessionary fee structure to Students selected by Ojas since last 6 years. So far 8 students are studying in Your college who are the beneficiaries from our Trust.

The following three students have got seats under the respective classes during 2022-23

- | | |
|------------------|------------------------|
| 1. Rohan P | 1 st BCA |
| 2. Abhijith V.R. | 1 st B Com, |
| 3. Sagar K S | 1 st Bcom. |

These students have paid the fees as decided by the Management of the college. However the college authorities are insisting that these students have to pay Uniform fees immediately and otherwise they will not be allowed to give measurement.

In this connection I have spoken to Sri N.R.Manjunath and sought time for payment of Uniform fees. He has also concurred for the same . he said he would inform you also in this regard.

Since the accounts Department of the college needs Permission from your good office I request you to permit them to hand over the receipts so that our students can give the measurement and get uniforms. We note to pay Uniform fee very shortly positively.

You may kindly enquire with Sri N R Manjunath (9620228023) and seek clarification.

These are the special students and they need your patronization and so far you are kind enough in encouraging them. We have not kept outstanding any fees/charges that has been agreed from the Management.

If you need further clarification you may talk to me also. Meantime I will also speak to N.R.Manjunath once again regarding the same and request him to advise you.

Please do the needful

Thaking you

Yours faithfully.

and helping them to get into a sustainable job opportunity.

Established in 2001, Magic Bus India Foundation works with children and young people from underserved communities, taking them from a childhood full of challenges to a life with meaningful livelihoods. We equip young people with the skills and knowledge they need to grow up and move out of poverty.

Our youth centered Livelihoods Program connects the aspirations and potential of young people to available market opportunities. We build their employ ability skills and map job potential based on individual strengths and mobility.

We work with support structures: parents, the community at large and local institutions to ensure results in social, emotional and economic well being for all young people living in that area. Our approach mobilizes the entire ecosystem available to the child or youth to create informational change in their lives.

Magic Bus Connect to Work Programme addresses the challenges faced by young graduates and first time job seekers through skilling them for the 21st century work environment and connecting them with available jobs in local area. Programme aims to bring young people into workforce- reduce the joblessness among young people and strengthen the economy by capitalizing on huge young workforce of India by placing them with right employers. Backed by innovative technology tool, strong stakeholder's engagement and market aligned essentials, this Programme offers scalable long term solution. This program will aspire to place 15,000 fresh graduates in job in the year 2021 - 22 across Karnataka, Mysore, Bangalore and Tumkur Districts

In context to that we would be obliged if . can support us with required data base of fresh graduates or if they help us connect with the youths on virtual platform so that we can train them and place them in better job opportunity.

Looking forward for a long term association.
Yours sincerely
