

MIT First Grade College

Certificate Course on "Web Designing"

About College

MIT First Grade College (Previously Gopalswamy College of Professional Studies) was established in the year 2009 by Maharaja Education Trust(R), Mysuru. The institution aims at imparting good education with an emphasis on developing the overall personality of its students in addition to instilling moral values. We, in this institution, strive hard to shape the students in such a way that they would transform into an asset to the community and the nation at large.

Vision

Empower the individuals and society at large through educational excellence; sensitize them for a life dedicated to the service of fellow human beings and mother land.

Mission

To impact holistic education that enables the students to become socially responsive and useful, with roots firm on traditional and cultural values; and to hone their skills to accept challenges and respond to opportunities in a global scenario.
