**Feedback Action Taken Report for the year -2021-22**

**I) Feedback from Students on Teachers**

**Interpretation**

The interpretation of the feedback data of the academic year 2021-22 has revealed that the faculty members have got positive feedback about their regularity to the class, prior preparation for class, subject knowledge, presentation and communication skills. The students are satisfied with the time allotted for interaction with the concerned subject teachers; students have good opinion on the evaluation process of internal assessment, and overall academic performance.

**Action Taken**

The feedback data of the year 2021-22 was analyzed by the Academic Advisors Prof. T.T. Thomas and Dr. Panduranga Vittal. As per the suggestions of the advisors suitable actions are taken so as to satisfy the expectations of students, parents and employers. This further helps to improvise college curriculum as per the expectations of the stakeholders.

Based on the analysis and interpretation of the feedback, the following actions have been taken for the improvement of the student community:

- To enhance interactive sessions between faculty and students and to engage in Smart class programs to enable the mutual interactions
- Smart Class rooms, Video conferencing, etc. to be made effective by the use of ICT.
- The teachers are advised to be more accessible to the students outside the classrooms and address their academic and non-academic issues.

**II) Feedback from Students on Institution and Infrastructure**

**Interpretation**

The interpretation of the feedback data has revealed that the majority of the students are happy with the facilities provided in the campus. Students opined that library facilities, sports facility, career guidance and placement activities to be made convenient to meet their needs. Further improvisation will be constantly focused towards institutional infrastructural development. Overall opinion about the college is satisfying.

## **Action Taken**

Based on the analysis and interpretation of the feedback, the following actions have been taken for the improvement of the student community. Overall opinion about the college is appreciable on account of:

- Good canteen facility in function with reasonable cost
- Basic amenities are being expanded.
- To provide better sports facility new playground is purchased
- Additional Career awareness programs are organized by IQAC

## **III) Feedback from Faculty on Curriculum**

### **Interpretation**

A feedback on curriculum from faculty members suggests that students are satisfied with syllabus, objectives, learning resources, library facility and classrooms.

### **Action Taken**

Based on the analysis and interpretation of the feedback, the following actions are taken to improve the overall academic excellence of the institution:

- MOUs/Agreements were signed with reputed institutions to enrich research experience.
- Enhanced research activities by conducting research conventions.
- To improvise the Entrepreneurial skills of the students Industrial experts were invited to encourage students
- The soft skill trainings are conducted to increase the participative skills in competitions and team building activities.
- Seminars/Conferences/Workshops will be organized regularly.

## **IV) Feedback from Alumni on Academic, College, Administration and Infrastructure**

### **Interpretation**

The alumni appreciated the existing pattern of education. They suggested to give more stress to research activities; capacity building and skill training program and the action taken report were given below.

- The alumni said that the faculty members are always available for guidance and support.
- The overall feedback is very good and most of the alumni are satisfied with the institution.

## Action Taken

Based on the analysis, interpretation, and suggestions given by the alumni, the decision is taken to increase the network of the alumni by registration and fund generation. The requirement for expansion of campus is brought to the notice of the management.

- The alumni association is officially registered.
- Various professional and skill training programs were organized to improve employability of the students.
- Communication skills training, career action coaching management training leadership training were given to the students

**Feedback Action Taken Report for the year -2020-21**

**I) Feedback from Students on Teachers**

**Interpretation**

The interpretation of the feedback data of the academic year 2019-20 has revealed that the faculty members have got positive feedback about their regularity to the class, prior preparation for class, subject knowledge, presentation and communication skills. The students are satisfied with the time allotted for interaction with the concerned subject teachers; students have good opinion on the evaluation process of internal assessment, and overall academic performance.

**Action Taken**

The feedback data of the year 2020-201 was analyzed by the Academic Advisors Prof. T.T. Thomas and Dr. Panduranga Vittal. The advisory members advised that the faculty members to improvise their teaching skills and to introduce new technology.

Based on the analysis and interpretation of the feedback, the following actions have been taken for the improvement of the student community:

- Feedback on teachers has to be taken after completion of the semester to ensure that students have provided reasonable feedback on the teaching skills of the faculty members
- The teachers are advised to be more accessible to the students outside the classrooms and address their academic and non-academic issues.

**II) Feedback from Students on Institution and Infrastructure**

**Interpretation**

The interpretation of the feedback data has revealed that the majority of the students are satisfied with the cleanliness on the campus, library facilities, sports facility, career guidance and placement activities. Further improvisation will be constantly focused towards institutional infrastructural development. Overall opinion about the college is satisfying.

## **Action Taken**

Based on the analysis and interpretation of the feedback, the following actions have been taken for the improvement of the student community. Overall opinion about the college is appreciable.

- To provide good canteen facility
- Planned to expand basic amenities.
- To provide better sports facility.
- To increase the number of career awareness programs.
- Frequent coaching camps for sports and games.
- To introduce skill development programs.

## **III) Feedback from Faculty on Curriculum**

### **Interpretation**

A feedback on curriculum from faculty members suggests that students are satisfied with syllabus, objectives, learning resources, library facility and classrooms.

### **Action Taken**

Based on the analysis and interpretation of the feedback, the following actions are taken to improve the overall academic excellence of the institution:

- It is decided to write to the BOS of University of Mysore to update the curricular on a par with the expectations of the industries from time-to-time.
- To improvise the library facilities by extending the number of books.
- The availability of the learning/e-resources in the library will be enriched.
- Seminars/Conferences/Workshops will be organized regularly.

## **IV) Feedback from Alumni on Academic, College, Administration and Infrastructure**

### **Interpretation**

- Majority of the alumni suggested that an association has to be registered.
- The alumni said that the faculty members are always reachable for guidance and support.
- The alumni are satisfied with the accessibility of the administrative staff.
- The feedback analysis revealed that teaching, learning, and administration is satisfactory.
- The overall feedback is very good and most of the alumni are satisfied with the institution. However, they also expressed the need for a bigger campus.

## Action Taken

Based on the analysis, interpretation, and suggestions given by the alumni, the decision is taken to increase the network of the alumni by registration and fund generation. The requirement for expansion of campus is brought to the notice of the management.

- Instructed the Alumni Association to register at the earliest.
