

# MAHARAJA EDUCATION TRUST MIT FIRST GRADE COLLEGE

(Affiliated to University of Mysore)  
Manandavadi Road, Mysuru-08

## 7.1.3 Water conservation facilities available in the institution:

1. Rainwater Harvesting
2. Waste water recycling
3. Maintenance of water bodies and distribution system in the campus

### Waste water Recycling:

Rain Water Channel

Rainwater and Waste Water Channel

Rainwater & Waste Water collection Tank

Waste water is collected in tanks and used for watering the plants in and around campus which helps in water conservation and make the campus green.

## Maintenance of Water bodies:

Wash Basin with Liver Taps

Our institute's main corporation water line is distributed across the campus through well laid pipes for drinking, garden and rest rooms.
