Consolidated Feedback – Action taken Report (Odd semester) -2023-24

Feedback from Students on Faculties

Interpretation

The interpretation of the feedback data of I, III and V semester of the academic year 2023-24 has revealed that the faculty members have got positive feedback about their regularity to the class, prior preparation for class, subject knowledge, presentation and communication skills. The students are satisfied with the time allotted for interaction with the concerned subject teachers; students have good opinion on the evaluation process of internal assessment, and overall academic performance.

Action Taken

The feedback data of the year 2023-24 was analysed by the Academic Advisors Prof. T.T. Thomas and Dr. Panduranga Vittal. The faculty members who have got below the expecting remark, were consulted by the advisory members and were advised that the faculty members to improvise their teaching skills and to introduce new technology to assist students to learn better.

Based on the analysis and interpretation of the feedback, the following actions have been taken for the improvement of the student community

- HOD's were instructed to conduct a meeting in the department and discuss the suggestions given by the advisors. HOD'S are also instructed communicate about the feedback reports and forms to the concerned faculties.
- The faculties are encouraged to participate in the workshops and FDPs to improve the teaching skills.
- The teachers are advised to be more accessible to the students outside the classrooms and address their academic and non-academic issues.
- More practical exercises will be given to the students to enhance their practical knowledge.
- Teachers are instructed to teach in local language wherever necessary.

- The final year students are guided to take up Internship/ Projects in their respective programs.
- Mentors were informed to conduct counseling sessions for the academically challenged students.

Feedback-Action taken report for the year 2023-24 (Odd semester)

The interpretation of the feedback data shows that more than 70% of the B.C.A. students of the odd semesters for the academic year 2023-24 have responded positively to the feedback. It revealed that the students are satisfied with the regularity to the class, teaching skill, subject knowledge, interaction, and communication skills of the faculty members. The students are contented with the overall support extended by the faculty members and expressed the following propositions:

- ✓ Conduct of regular classes
- ✓ Early clarification of doubts
- ✓ Taking extra care while teaching commerce subjects as science students take it slowly.
- ✓ Mandatory to give subject notes
- ✓ Maintaining patience towards students
- ✓ Prepare well before class and teach loudly

Action taken:

The feedback data of I, III and V semester were analyzed by the Academic Advisors Prof. T. T. Thomas and Dr. Panduraga Vittal. The academic advisors suggested Head of the Department about the feedback received and measures for further improvements.

Based on the analysis and interpretation of the feedback and suggestion by the Academic Advisors, the following actions have been taken for the improvement of the student community.

- ❖ The staff were given the filled feedback forms for getting to know about their feedback by the students. Further, the staff were counseled by the HOD and Principal to address their shortcomings and further improvements.
- ❖ To conduct more interactive classes in relation to academics and skill enhancements courses for the betterment of students.
- ❖ To initiate more participation by the faculty members in FDPs to enhance their teaching skills.
- ❖ To provide notes, important questions and practice exercises to the students for the better understanding of the subjects.
- ❖ To organize workshops on contemporary areas in the prescribed syllabus.

**Feedback-Action Taken Report of PG Department of Commerce
for the year-2023-24 (Odd Semester)**

Interpretation

According to the interpretation of the feedback data collected, more than 90% of the M.Com. Students of the odd semesters have responded favorably to the feedback. It was found that the students are happy with the faculty regularity, subject expertise, interaction and communication abilities, and teaching skills. The students have expressed their satisfaction with the overall support provided by the faculty members and have proposed the following:

- Greater exposure to practical experiences to meet industry needs
- Personality development

Action Taken

Academic Advisors Prof. T.T. Thomas and Dr. Panduranga Vittal have analyzed the feedback data of I and III semesters and suggested measures for further improvement to the Head of the Department. Based on the analysis and interpretation of the feedback and suggestion by the Academic Advisors, the following actions have been taken for the improvement of the student community.

- Staff were allowed to review their feedback received from students on their performance.
- Brain storming and discussions were held for improvement by the concerned staff, HOD and Principal to address their shortcomings and further improvements.
- To organize or attend more FDPs by the faculty to enhance their teaching skills.
- To improvise on research areas in respective subjects to gain in-depth knowledge.
