REPORT ON EXIT SURVEY 2022-23

The feedback of exit survey was collected from the outgoing batch for the academic year 2022-23 and 121 students have responded. The interpretation of the feedback data has revealed a positive response on academic excellence, level of personal transformation, professional ethics and various personality development skills acquired in our institution during their graduation.

Interpretation

1. Students opined that hostel facilities need to be improved.
2. They stated that more practical exposure through internship could be provided.
3. Students expressed that more importance to be given on developing soft skills and employability skills.
4. They felt that the scope for job preparation, aptitude, knowledge-based education is not satisfactory.
5. Students are highly satisfied with academic quality, professional ethics, understanding of subjects and holistic development of their personality.

Actions Taken:

1. It has been decided to introduce Employability Skills as an elective subject to the final year students.
2. It is proposed to introduce internship and projects to the students.
3. It is decided to extend the Professional Certificate courses on Tally, Web Designing etc.
