Preface

The Internal Quality Assurance Cell (IQAC) is entrusted with the responsibility of steering the institution toward continuous quality enhancement and fostering a culture of academic and administrative excellence. As we present the IQAC Annual Report for the academic year 2024–25, we reflect with pride on the milestones achieved, the challenges addressed, and the collective efforts made by all stakeholders in our pursuit of excellence.

This report encapsulates a comprehensive overview of the initiatives undertaken, quality enhancement measures implemented, and outcomes realized across various dimensions of institutional functioning—ranging from curriculum development, teaching-learning innovations, and research contributions to outreach activities, governance reforms, and stakeholder engagement.

The academic year 2024–25 marked a phase of strategic consolidation and forward-looking reform. The IQAC continued to play a catalytic role in promoting a culture of evidence-based decision-making, fostering internal audits, enhancing learner-centric environments, and promoting professional development for faculty and staff. This report also reflects the increased use of technology, strengthened feedback mechanisms, and an enduring commitment to inclusivity and sustainability.

We gratefully acknowledge the unwavering support and cooperation extended by the Governing Body, faculty, staff, students, alumni, and all stakeholders who contributed to the quality journey of our institution. Their active involvement and commitment have been instrumental in translating our vision into tangible outcomes.

With this report, we reaffirm our commitment to continuous improvement, innovation, and accountability—values that are at the heart of our institutional mission.

XI. Student Achievements.

Student achievements in intra and inter-college competitions reflect the holistic development encouraged by an educational institution. Active participation and success in extracurricular activities at university, district, state, and national levels showcase students' talents, leadership skills, and teamwork. These accomplishments not only bring pride to the institution but also contribute to the overall personality and confidence of the students.

XI. Student Achievements: Students' participation, presentations and achievements in intra and inter college competitions across university, district, state and national level extracurricular activities.

Sl. No	Name of the Student/Team	Event	Date & Venue	Prize	Outcome
Students Achievements of PG Department of Commerce
